To whom it may concern,

I Virginia Wolk have put in my resignation to the Colchester Ct. BOE on Feb 20th 2024. I also put in my 2 wk notice today as well Feb 20, 2024 I was assuming my 2 wks would be 2 pay roll wks so my last day was Feb. 29th 2024.

Reasons for leaving BOE.

When I was given the job I was trained on told to only do basic things at my building. However I've been expected

to do alot more than what I was originally told and there just isn't enough hours & his a night is not nearly enough time to clean 3 buildings even 2 buildings a night properly. Also I'm not paid enough for all the work I have ben doing over the yrs. I've been asking for more hrs and have put in for full time positions several times over the last 4 yrs and have never gotten either. So its given me no choice but to relocate to find Full time other work. Thank You Virginia Wolk
